

TRC Presents: The Tunic Rallye

A little fox goes on a big adventure.

Join the ruin seeker on a (fully remote) riddlesome journey through Cambridge, Massachusetts in an [A-B style Gimmick Rallye](#). Beware the Far Shore of Boston as you wind through the tangle of one-way streets across Kendall, Central, and Harvard Squares. The Rallye will begin at 2pm eastern time, and end at 9pm eastern time on April 4th, 2026.

Use Google Maps Streetview and Zoom for this rallye. Google Maps presents some unique rallye challenges, so we will hold a Rallye School at **3pm eastern**. We welcome participants from anywhere in the world. Feel free to form a team with members from different cities.

Fee: We ask that you donate \$25 dollars to a charity of your choice.
We recommend the [Against Malaria Foundation](#)
