Thank you for playing the rallye! In addition, massive thanks to Ken, Jill, Eric, Matt, Wei-Hwa, and Linus for prechecking the rallye and critique. Thanks are also due to Ric, Dave, and Cris for all the supporting work required to mount the rallye on the TRC website, send announcements, and manage Zoom links. Ken deserves extra special thanks for the two years of cajoling it took to get me to write the darn thing!

May you find secrets everywhere you look.
