This rallye features an "all new" route and theme based upon the British TV series from the 1960s. To get into the mood, you may want to view a few episodes or visit these websites:

A **Road Rallye** is not a race but a test of your ability to follow instructions over a pre-determined route. By catching the "tricks" and "gimmicks," you'll find coursemarkers. The more good coursemarkers you find; the better your score will be.
