

The Rallye Club Presents:

THE AMAZING RALLYE

July 1, 2006

I'm standing near the birthplace of the Silicon Valley. For generations, the technology capital of the World. A world that will soon play host to dozens of people who have decided to take a break from their everyday lives and embark on a rallye around the world. For 1000 points and priceless awards, the contestants may be competing with the benefit of maps, highlighters, clipboards, and cell phones. Their greatest hindrance will be each other as they circle the globe in teams. Can these teams withstand the stress of traveling in circles together for almost 20 miles? Who will muster the right combination of brains, brawn, and team work to win the awards? These are the questions weighing most heavily, as we get ready to begin The Amazing Rallye.

Start: 4-6 p.m. at Larry's Autoworks,
NOTE EARLIER START TIME
2526 Leghorn Ave in Mt. View
(down the Street from Costco)

A rallye is not a race, but a puzzle where the game piece is your car and the roads are the game board. This rallye is family oriented with fun and games at the check point. Bring the kids, they'll love it. Earlier start and finish times promise extra daylight.
