MONSTER MASH

The Musical!

What is a rallye?

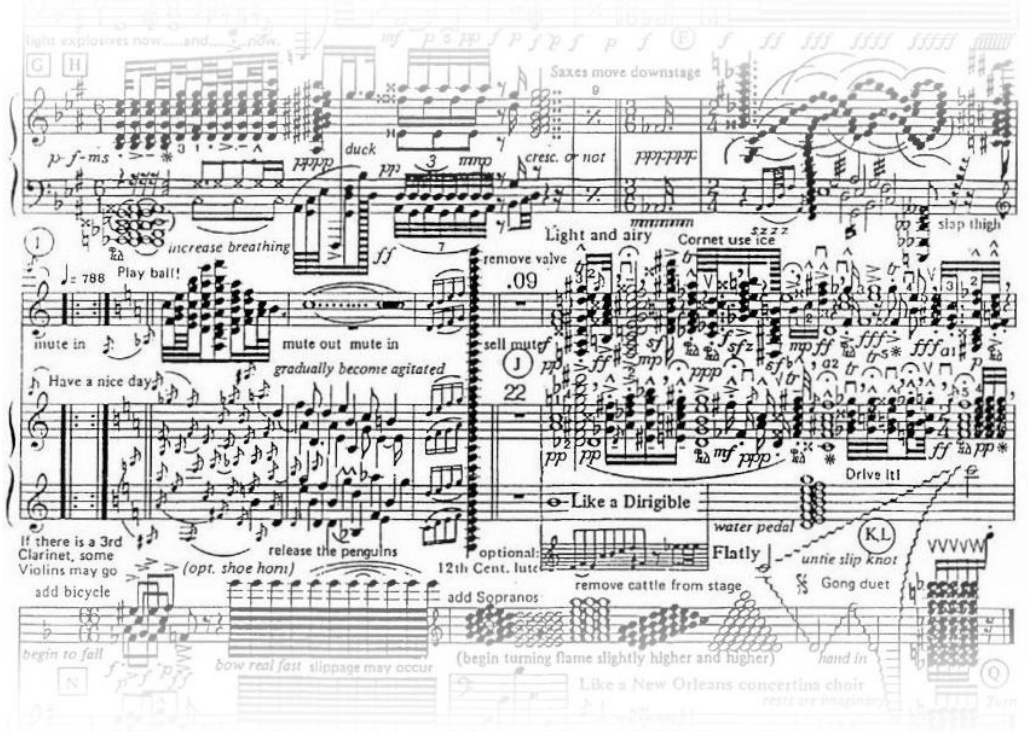

A gimmick coursemarker rallye is not a race, but rather a test of your ability to follow specific, tricky instructions over a pre-determined route. Catching the "traps" or "gimmicks," along the route will lead you to coursemarkers. The more good coursemarkers you find, the better your score will be. But watch out, not all coursemarkers are good.

Drive carefully.
