THE AMAZING RALLYE

BLAZING SEVENS

I'm in the shadow of San Francisco, California. The birthplace of the Slot Machine. A game both loved and hated around the world. A world that will soon play host to dozens of people who have decided to take a break from their everyday lives and embark on a high-stakes rallye around the world. For 1000 points and worthless awards, the contestants can compete with the benefit of maps, hi-liters, and the cards they have up their sleeves. Our teams will earn their money the old fashioned way. Gambling! They will role the dice as they hit the world's gambling hot spots. Can these teams stand traveling in circles together for almost 20 miles? Or will they fold under the stress? Who will meld the right combination of brains, brawn, and team work to win the awards? These are the questions weighing most heavily, as we get ready to begin The Amazing Rallye.

The Amazing Rallye, Blazing 7's

A coursemarker gimmick car rallye
based on The Amazing Race

A rallye is not a race, but a puzzle
where the game piece is your car
and the roads are the game board.

This rallye is family oriented with fun and
games at the check point. Bring the kids,
they'll love it. Earlier start and finish times
promise extra daylight.

Entry Fee (per Car):
\$15 for TRC Members
\$20 for Non-members

From Hybrid to Hummer,
any kind of car is welcome.
