Keith and I would like to thank everyone who ran, Three Strikes and You're Out. We try to make our rallies interesting and challenging to all levels.

The results from the lower classes showed how important it was for them to attend the rallye school as they scored very well on a tough rallye. Our objective is to make the

rallye tough on the upper classes, but explain and give away enough of the gimmicks at the rallye school to also make it fun for the lower classes. That being said I would like to thank the upper classes for not attending the school and thus allowing me to divulge enough gimmicks at the school to let the lower classes have fun and enjoy the rallye.

We would like to thank everyone who helped us put this rallye on, my wife Jean, my son Kris and his girlfriend Maria, Keith's wife Kim and his son Cole, Abby for pre-checking and helping at the CP, Glen for his help at the CP, Dean for doing a great job at check-in, Steve B. for pre-checking, Bill Jonesi for pre-checking and saving us from several black holes we didn't catch, Chris Wendt for pre-checking, helping at the CP and being there to answer about 100 different questions we had, Teresa for her help and advice and Nick for doing a great job on our participation plaques and the award pins.

We took the CM's down Sunday morning and they were all still up. Some were hard to see due to trees, poor lighting (street light that were out), and the posting of some behind signs that caused them to blend in and be less visible.

Thanks again for running Dave Moen & Keith Anderson
