* 2nd place Senior was declared a tie. Thanks to Wayne and Don for sharing the awards.

Best Poker Hand was a **STRAIGHT**, by Car 3 First Timer **and** Car 4 First Timer. We awarded a plaque to both cars, since "more hearts" didn't apply to best poker hand, only rallye placement.

We hope you all had a good time on Elvis Lives, and we appreciate your attendance. A special thanks to TRC members who provided 18 of the 33 cars on the event! It was good to see many "old-time" rallyists come out again to Sunvalley, and we hope you will consider making the trip to Mountain View for the monthly rallye by TRC.

Thanks to all who filled out questionnaires. Your input is valuable to helping "grow" the sport. The preferred day for a rallye looks like Saturday day (45 votes!). You can view the questionnaire results on the "El Dorado" Facebook page.

The pictures we took of you with Elvis are also posted on the Facebook page. It looks like some of the pictures did not turn out, so we apologize if yours is not included. This was our first time taking pictures, so we'll get the hang of it after a few more tries.
