

Thanks to all of you who came out for **GEORGE'S 278TH** birthday!

Rita & Mo Geraghty won "closest to Mount Vernon" with 1/2". Honorable mention to Ed Slintak & Darlene Burgess with 3/4"! Ed and Darlene also won the TRC Perseverance Award. (To the lowest (by class) TRC member that did not win an award). The Williams/Martin Perseverance Award went to Grandma (Diana Williams) just for being a wonderful Grandma!

Best gimmicks that the rallyists found that we didn't:

- 1) Darlene Burgess added George's contact info to the back of the Report Form : Mount Vernon, Virginia
- 2) Nick & Teresa Stefanisko found the sign at the bottom of the page, which could have been a CM  
(We'll hedge and say that the Water District is not a government agency, so it's not government erected. Ha!)
- 3) Several rallyists wanted "Ride onto Ash" to be invalid because "wood" did not exist on signs. Clever!
- 4) Several rallyists pointed out that the "Car Rallye" sign at the Sunvalley entrance could have been a CM. Sorry about that!

**Keep your thinking caps on and we'll squeeze your gimmicks into a rallye as soon as we can.**

Remember that TRC has a rallye in Mountain View on (most) first Saturdays of the month. The next EDTC rallye will be "The Adventures of Sherlock Holmes" in Mountain View on May 1, 2010. The next Sunvalley rallye will be "Pirates of the Caribbean" on May 15, 2010. Hope to see you there! Pictures from George's will be posted soon on our website and Facebook (El Dorado). As always, keep up to date on rallye info at [therallyclub.org](http://therallyclub.org) and [eldoradotouringclub.com](http://eldoradotouringclub.com)

Coursemarker "NO 555" ? Or not a government sign?  
There were several "NO" spaces on the Report Form.
