A gimmick rallye is not a race. A gimmick rallye is a fun puzzle that tests your ability to follow instructions along a predetermined road course.

No experience is necessary. First-time rallyists are encouraged and will receive extra help.

From Hybrid to Hummer, any car is welcome. Two persons per car is recommended, but you can have as many as can legally fit for the same low price. Don't forget pens or pencils, paper, and a clipboard.

Awards are presented in six classes (First Timer to Master Expert). You compete only against cars in your own class.
