The Rallye Club presents a coursemarker gimmick rallye based on the events of the movie.

A rallye is not a race, but a puzzle where the game piece is your car and the roads are the gameboard.

Awards in 6 classes:

First-timer: never run before

Beginner: run a few

Novice: won a few

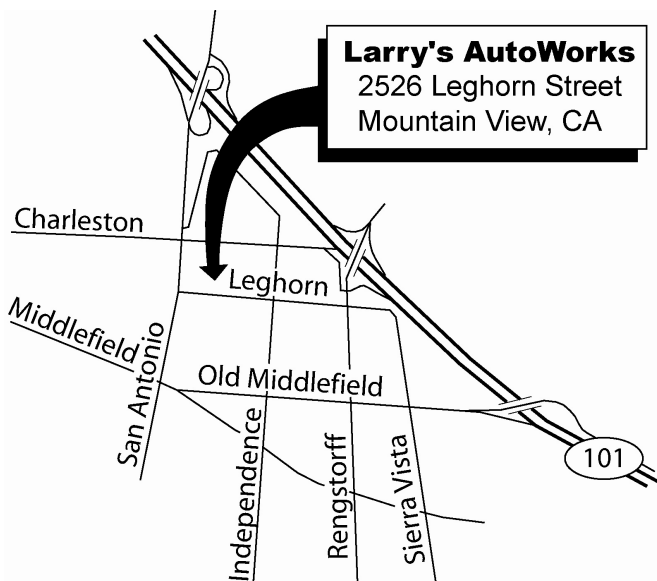

Senior: You know who you are

Expert: Everyone knows who you are

Master Expert: Best of the best

You only compete against cars in your own class.
