A gimmick rallye is not a race. A gimmick rallye is a
fun puzzle where your car is the game piece, and
public roads are the game board.

No experience is necessary. You compete only against
cars with similar rallye experience. First-time rallyists
are encouraged and will receive extra help.

From Hybrid to Hummer, any car is welcome. Two
persons per car is recommended, but you can have as
many as can legally fit for the same low price. Don't
forget pens or pencils, paper, and a clipboard.
