Life is Full of Detours
(April 5, 2014)

I would first like to thank everyone who ran, Life is full of Detours. I would also like to thank my pre-checkers Steve & Nancy, Keith & Jean, Jim Davidson and the other members of ETC for looking the rallye over. A real special thanks to Jim Davidson for stepping in at the last minute and being a co rallye master. Another special thanks to Nick Stefanisco for providing a scoring program that even a computer simpleton like myself can use and for procuring the awards and par plaques for not only my rallye but every months event. I cannot forget to thank my wife, Jean, for not only pre-checking but for also womanning the CP, helping score and being willing to let me write rallies after I have promised her I would never write another one on several occasions.
