

# Rally School and Rally --- Getting Ready for Monterey

by Rik Larson, SVR Rally Chairperson and Richard Wetzell, SVR member

**Sunday**

**June 1st**

Preparations are underway to present a rally school on Sunday, June 1st for those interested in learning about TSD (time-speed-distance) rallying. The TSD rally is one of the competitive events that you can compete in at the Porsche Parade in June in Monterey. The rules allow for 5 classes so you pick the one that is appropriate to your car's equipment (navigational systems move you up in class ---- even if you don't even know how to turn it on).

The rally school will be held at Porsche of Livermore. This provides for a central location for most of the PCA members in Zone 7. This event is open to all PCA members and to the public. PCA members receive priority.

We will have a 2-hour classroom session in the morning, followed by a lunch break, and then an opportunity to put your newly acquired skills to the test on an actual rally in the afternoon. You can attend both sessions or either one.

We will meet at Porsche of Livermore, 3100 Las Positas Road, Livermore, CA. 94551, 925.447.6400.

Pre-registration is required. We will have registration for the school at 9:45 am. The cost is FREE. The school will run from 10 to 11:45 am.

The rally in the afternoon will have registration at 1 pm. Cost is \$10 per car. PCA insurance requires two (or more) people in the vehicle. Our insurance does provide for 16 and 17-year olds to be navigators (contact us for particulars). First car will leave Porsche of Livermore at 1:31 pm.

We do ask that you RSVP to Rik Larson (see info below) so that we can have adequate space and printed materials. This applies to both events. We will use the 2014 Porsche Parade TSD Rally General Instructions as a reference for the school and the rally.
