

A Free At-Home Event!

RALLYE TO THE FAR SIDE

**Saturday
June 6, 2020**

This A-B Gimmick Car Rallye will test your ability to solve puzzles and enjoy some Far Side humor.

Early experiments in transportation

This event is written to be run from home using Google Maps, Zoom, and email. No need to use your car unless you prefer sitting in it in your garage, so it feels more like a regular rallye.

Register before June 6 or before 12:00 PM on June 6 at rallye.graubart.org/farside/register

You will receive your instructions on June 6 at 12:00 PM and there will be a short rallye school at 1:00 PM and repeated at 4:00 PM using Zoom. You'll have until 8:00 PM to email your completed scoresheet and we'll announce results in another Zoom meeting at 9:00 PM. There will be PDF award certificates in six classes, including first-timer.

For further information, contact the Rallyemaster Dave Graubart at farside@graubart.org.

Check our website at therallyeclub.org for information about this rallye and car rallyes in general.
