### Who?

Anyone! No experience is necessary. You compete only against teams with similar rallye experience. First-time rallyists are encouraged and will receive extra help.

### Why?

A gimmick rallye is a fun puzzle that tests your logic and observation as you navigate carefully along a predetermined course. Toy Rallye is an annual charity gimmick rallye also supports organizations that serve the homeless.

### How?

"Roads? Where we're going, we don't need roads." – Doc Brown (*Back to the Future*)

This is an online rallye. You will navigate using Google Street View, and will interact with rallye personnel using email and Zoom.

As with a regular rallye, we recommend two persons ("driver" and "navigator") per team. However, you can register as many other team members as you can tolerate.

For more info, or for preliminary instructions the week before the rallye, visit [www.TheRallyeClub.org](http://www.TheRallyeClub.org)
