Thanks to everyone for running the rallye and dealing with the delays in the help desk and checkpoints. You kept us busy! Apologies for the initial technology and “Ric’s taking a nap” delays getting the final results out.

Special thanks to Ken Johnson, Dean Stanton, and Jeff Young for pre-checking. Another thanks to Ken Johnson for staffing the checkpoint. Additional shout out to Dave Graubart for all the logistical support with Zoho, email communications during the rallye and scoring.

Have a great set of holidays and join us for TRC’s annual in-person membership rallye, **Wicked: Rallye for Good** on February 7, 2026.

Cheers

Ric Goldman, Toymaker and Rallyemaster
